

# Transportation at Robin Hood

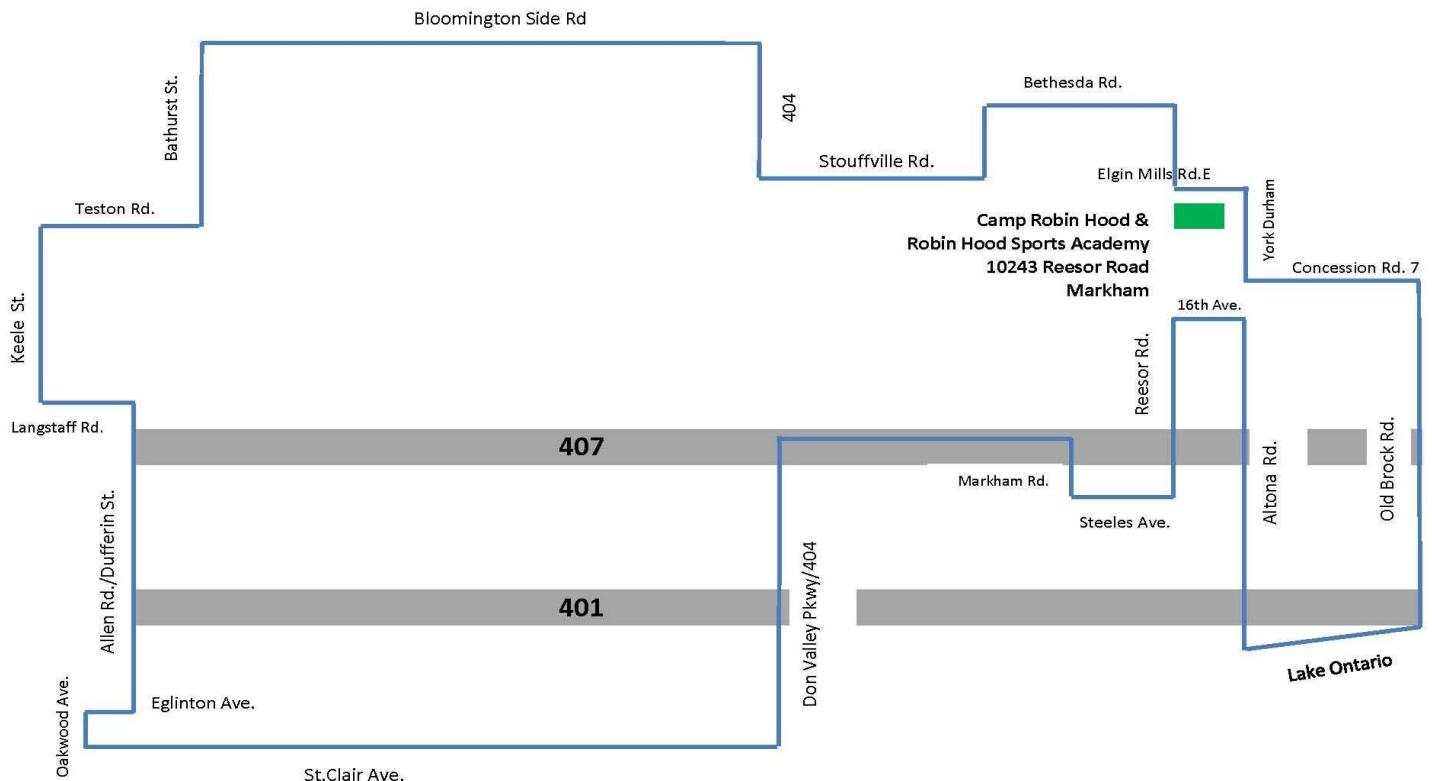

At Camp Robin Hood or Robin Hood Sports Academy, you have the option of selecting from our 3 methods of camp transportation:

- 1) Drive or carpool your child to camp
- 2) Neighbourhood Transportation Service
- 3) Door-to-Door Service

We encourage you to determine which method best suits your lifestyle and perhaps most importantly – your budget. Our Dates and Fees sheet has all of the financial details of each of our transportation options. Driving to camp is clearly the most economical, however in deciding between “**Neighbourhood**” or “**Door-to-Door**” service please be mindful that selecting central location pick-up and drop-off does not necessarily translate into a shorter bus experience. Our transportation coordinators design all of our bus routes to arrive at camp and complete their routes at the end of each day at approximately the same time. Selecting our “**Neighbourhood**” option will definitely result in your overall camp fees being reduced.

Please refer to our “**Door-to-Door**” service boundary map to see if you are eligible for this service. We also offer several “**Neighbourhood**” locations within this boundary as well as some to outlying areas beyond our boundaries. Please refer to our extensive list of “**Neighbourhood**” locations (reverse side) if this is of interest to you. If you are selecting one of our “**Neighbourhood**” locations please indicate it in the space provided on the camper application form. If you have any questions about camp transportation do not hesitate to call our office at 416-736-4443.
