

# TRANSPORTATION AT CAMP ROBIN HOOD

A major consideration for our families each summer is how their children will get to camp each day. At Robin Hood you have the option of selecting from our 3 methods of camp transportation. We encourage you to determine which method best suits your lifestyle and perhaps, more importantly, your budget.

1. Door-to-Door service: Add an additional \$250 (per session per camper) to have the bus come to your home each day
2. Neighbourhood Service: Add \$120 (per session per camper) to meet the bus at a location near your home for daily pick-up/drop-off
3. Drive your child to camp: *Add \$0 to the camp fee and drive your child to and from camp each day*

For Summer 2020, we have designed 19 exclusive neighborhood routes which incorporate over 40 popular locations in our pick up area! With a maximum of 4 neighbourhood stops, it is straight to camp for a day of fun and spirit. The same for the way home. If you are deciding between 'Neighbourhood' and 'Door-to-Door' you should know...

- **New in 2020:** Our sibling discount is now applicable to transportation services.
- Neighbourhood locations are located throughout the GTA. Check out the details on the reverse side.
- Door-to-Door service is only available within our designated boundaries. See below.
- Some bus routes may have both Neighbourhood & Door-to-Door service. \*

Our transportation team continually monitor and assess our routes to find the most efficient way to and from camp. We design routes to have a minimal amount of stops and still maximize capacity. With the addition of subways, road fixes and residential construction, realistic expectations of timing of bus routes are necessary to get your children to our beautiful country setting. But, we promise, the fun starts on the bus!
