

CAMP ROBIN HOOD

Parent Guide

Information to make both *your* summer and your child's summer awesome!

Thank you for choosing Robin Hood for your child's day camp experience this summer. Whether your camper is registered for 1 session or all 4, know that we work hard to make every day at Camp Robin Hood super-fun and memorable. Right now, our staff are busy putting the finishing touches on our programs and our office staff are working hard to make sure that all of our systems are in place so that camp runs as smoothly as possible for our camp families. We consider the following information vital to preparing for camp. Whether this is your first year as a member of our camp family or you are a seasoned veteran, information is updated each year so we would love for you to review it at your convenience. While we are not listed on any TripAdvisor list, yet, our experience with camp families tells us that providing you with a "Top 10 List" of topics that are typically on the mind of parents as they prepare for camp would be really helpful. So, here we go....

10 things to make your Camp Robin Hood summer even more awesome!

1. Come Visit Us At Our Open Houses & Family Nights

This is the best time to see our site and join in the fun. We love seeing everyone!

Prior to the summer, we have two dates in June to explore camp and meet with our staff.

Sunday, June 3

from 10am-3pm is your chance to meet our Directors and Senior Staff. We have planned a fun day of camp activities, carnival games, tours, treats and a complimentary BBQ (12pm - 1pm).

Friday, June 29

from 3:30 pm-5:30pm is a chance for all Session 1 (July 3-13) campers to meet their counsellors and visit camp before all the fun starts the following Tuesday. Please note while we are only able to introduce Session 1 campers to their counsellors, all campers are invited for the fun! That's right folks, this year camp starts on Tuesday July 3 so your family can enjoy the Canada Day long-weekend.

Once camp begins, there are two dates assigned for our very popular Family Nights. This is not only a chance for your child to personally escort you around camp and show you their favourite spots, you will also have a chance to meet with their counsellors, coaches and swim instructors to get individual updates. We close out each of our Family Night evenings with our famous “Flagpole” and the singing of “Hands Are Strong” - please make plans to attend! Here are the details:

- Family Nights: Wednesday, July 18 & Wednesday, August 8 from 6:30pm-8:30pm
- On these dates camp dismisses at 3pm. Please plan to meet your child(ren) an hour earlier than usual if travelling by bus. Campers in our aftercare program are to be picked up by 4:30pm.
- Gates will open at 6:15pm for onsite parking which is supervised by York Region Police.
- There is no smoking on our property and we ask that you not bring pets to camp.
- Open Houses and Family Nights proceed rain or shine. No rescheduling.

2. Completing Your Camp Forms is Critical

Always having the most up-to-date information about your child is a vital component to a successful Robin Hood experience. We put a lot of effort into developing efficient administrative systems that make information gathering as simple as possible. Please provide all requested information in a timely fashion.

An important part of your pre-summer preparations is completing your online forms. Online forms are now available by logging into the same link as your registration. It can be found

3. **Transportation Form:** Although you registered requesting your preferred method of transportation for your child, we ask that you confirm and add any other details you feel will be helpful for Robin our Transportation Director. Information about completing our forms:

- **Completion is Easy!!** We have worked hard to make our online process as easy as possible.
- **Adhering to deadlines is Crucial!!** It is hard to be flexible when deadlines are not met and since safety is our greatest focus, deadlines allow us to be best organized to ensure a fantastic time for everyone.
- **You can always update your information!** It is always better to submit your forms with the information you have on hand ASAP than wait until your camper begins camp. Whether it's changes to health or swim information or any forms for that matter, you can always email us at office@camprobinhood.ca and we will make sure a member of our office team updates your information.

Sharing information between home and camp makes everybody feel good about the camp experience. It also allows us to take care of your children to the best of our ability. Thank you in advance for your cooperation.

3. What is a Typical Day at Camp?

Well, we actually work hard to make every day at Camp Robin Hood anything but typical! Our well-trained staff (they all participate in an action-packed training program prior to July 3) are enthusiastically capable of showing your child an awesome day - every day.

But there is certainly a routine at camp. Campers at Camp Robin Hood are organized in "cabins" and at Sports Academy, "teams". "Cabins" and "Teams" are supervised by at least 2 staff. Cabin size varies based on age and our supervision ratios are always enhanced at our "specialty" activities as we provide "specialists" who facilitate and provide instruction.

Here is a breakdown of our age groups at camp.

- **Munchies & Leppies:** Campers entering or completed JK prior to camp. Cabin ratio 1:5
- **Junior Boys & Junior Girls:** Campers completed SK & Grade 1 prior to camp. Cabin ratio 1:6
- **Inter Boys & Inter Girls:** Campers completed Grades 2 & 3 prior to camp. Cabin ratio 1:7
- **Senior Boys & Senior Girls:** Campers completed Grades 4-7. Cabin ratio 1:8
- **LIT/CIT:** Campers completed Grades 8 & 9.
- **Sports Academy:** Campers completed SK-Grade 7. Cabin ratio 1:9

So, what does a typical day look like? Here are the daily features of a day at Camp Robin Hood and Robin Hood Sports Academy.

Morning Welcome & Flagpole Activities

- Flagpole is the name given to our camp-wide gatherings where we build community through skits, songs and performing the Camp Dance!

2 Swim periods each day

- Morning & Afternoon swim (see swim information below for more details).

Lunch Period

- Campers eat lunch in their cabin group/team and are supervised by the counsellors/coaches to insure eating and monitoring of any allergy/dietary considerations. This is also a great social time for campers and staff each day.

Change & Snack/Treat periods

- Campers are given a period each day after their swim to get changed and get geared up for their next activity.
- Snacks/Treats are provided each afternoon prior to dismissal.

Activity periods throughout the day

- Each cabin participates in a combination of “specialty” or cabin-based activities.
- Specialty activities are led by our trained specialists and include archery, canoe, gymnastics, arts & crafts & many more. Cabin activities are planned and led by your child’s counsellor and are often low organized games and craft activities that take the specific interests of campers into consideration.
- At Sports Academy, each team spends their day at a variety of sports areas where instruction is provided by a “Lead Coach”. Our 4 main areas of instruction are baseball, basketball, soccer and tennis. Campers also enjoy “options” where they can get more practice in a sport of their choice. Every Friday is “Game Day” where campers put their skills to the test in friendly competition.
- Check out the breakdown of our day and activities on our website (www.camprobinhood.ca)

In addition to our typical day, please visit our online summer calendar accessible from our website.

You will notice that our Summer Calendar has a detailed list of special events and optional programs that occur throughout the summer.

Special Days:

- Dedicated theme days where each division participates in a unique program different than a typical day. The day will still include 2 swim periods and details of the theme will be provided in advance.

Camp-Wide Programs:

- **Colour Wars - July 19:**
 - All campers are assigned to 4 teams and participate in unique and fun activities. A BBQ lunch is provided.
- **Quest for the Golden Arrow - August 21 & 22**
 - Camp is transformed into Nottingham Forest and campers are assigned to 3 teams (Little John, Will Scarlett & Friar Tuck)
 - After the event we have the best camp carnival you could imagine.

Overnights & Extended Days:

- **Overnights**
 - Campers completed grade 2-7 are invited to participate in this program during the session they are enrolled. Check the summer calendar for dates.

- Our overnight's are a great introduction to sleepovers at camp. More details will be provided during the summer.
- **Extended Days**
 - Once each month (check our calendar) campers in our Junior Units (Sk-Grade 1) are invited to stay late at camp and enjoy a fun-filled program including an additional swim, dinner and a fun program. Bus transportation is provided. More details to follow
 - Sports Academy campers also have an extended day to a Blue Jays game in the summer.
 - **What about the First day of Camp? Is it different? What can I expect?**
 - Expect some delays in bus transportation as the bus driver learns the stops and the route.
 - 1 swim period - afternoon only
 - Welcome Flagpole
 - Provide sunscreen to leave at camp
 - Camper will receive knapsack at camp

Note: Only families using door-to-door bus service and starting on Tuesday July 3 will have their knapsacks delivered to their home.

4. What to Pack, What to Wear

Our experience has taught us that Moms and Dads like to have their child(ren) prepared for anything that GTA weather may throw our way during the summer. However, our CRH knapsacks (which we provide!) can only handle so many items! The "cabin" that your child will be assigned to has its own actual "cabin" where all items brought to camp can be stored and kept safe.

Here are more recommendations of what your child should wear and have packed in their knapsack on a daily basis.

- **Washable, inexpensive clothing** – we recommend that you NOT send clothing that may upset you and/or your child if for some reason it got dirty, accidentally damaged or went missing.
- **LABEL ALL ITEMS** - Our staff work very hard to help your child return home with all the items you send to camp, it is super-important that you find a labelling process that works for you. Even labelling with a sharpie (permanent) marker (first AND last names!!) makes returning lost items much easier.
- **Wear a hat** - one of the reasons our camp won the 2016 Melanoma Network of Canada Sun Safety Award is in part because of our commitment to all campers and staff protecting themselves from the sun.
- **Sports Academy Campers** – Campers are not required to bring specific sports equipment to camp, however, we do insist that athletic shoes (not sandals) be worn so that campers can play safely on our courts and fields. If your child has a baseball glove (LABELLED!) they are invited to pack one in their knapsack.
- **Dress for weather** – Since our location in Markham is susceptible to changing weather conditions, we do recommend you pack a few items that will allow your child to be comfortable regardless of what Mother Nature sends our way. Please check the weather daily but don't assume that the conditions your child left home in will be the same throughout the day (or even the same as you may encounter wherever you are during the day). We recommend packing light items like a windbreaker, long-sleeve shirt, or a sweatshirt for cold windy days and boots and a raincoat for rainy days. We have great indoor facilities to keep our programs going all day long.
- **Extra clothes at camp** - Some of our younger campers may benefit from having some extra clothes labelled and stored in the cabin just in case these items are needed.
- **Footwear** - Running shoes and socks are preferred over sandals/open-toe shoes, thus allowing our campers to partake in all of our activities.
- **Sunscreen to be left in the cabin** - We ask that you apply sunscreen (rain or shine) on your child before they get on to the bus/ or travel with you to camp each morning. On the first day of camp, please provide sunscreen (LABELLED!) that can be kept in the cabin and reapplied at designated times during the day. Our staff are trained on the various age-appropriate ways to assist their campers with putting on more sunscreen. Your child's Section Head (age-division supervisor) will contact you if we need more sunscreen.

The “What to Pack” Summary

- 1 bathing suit (campers should travel to camp in their bathing suit for morning swim)
- 1 pair of shorts and underwear
- Lunch (if providing)
- Sweatshirt and sweatpants
- Raincoat
- Pool shoes – optional
- Eyeglasses case (if required)
- Earplugs (if required)

Robin Hood Advice...

- Pack an appropriate change of clothes for days that start off cool – Even on our coolest days, a t-shirt and shorts should be worn or packed.
- Pack a plastic bag for wet clothes
- Label everything with first name and last name

5. Swimming at Camp

We are very proud of our swim program and our commitment to helping kids increase their comfort in the water. In order to do that, we thank you in advance for providing us with accurate up to date swim information as you complete your swim form. Here are some important features of Swim at Robin Hood:

- Our swim staff are certified with current Lifeguard and Instructor qualifications.
- We work closely with Eric Shendelman from [Shendy's Swim Centre](#) and deliver a Lifesaving Society endorsed **10 level program** in addition to our preschool swim curriculum.
- Campers at Robin Hood visit the swim area twice a day.
- Campers who have completed JK-Grade 3 receive swim lessons each visit.
- Campers who have completed grades 4-7 and those in our Sports Academy receive 1 swim lesson and 1 recreational “free swim” each day.
- Campers receive towels for each of their swim periods.
- Participation in swim is considered a compulsory activity. On days where campers choose not to swim or are unable to, they will still be in their swim groups participating in the lesson from the pool deck. We do not offer an alternative activity during swim periods.
- Parents will receive swim group confirmation (via email) on the first Thursday of each session to verify the swim level being evaluated.
- Swim reports will be issued (via email) at the end of each session.

6. Lunch And Other Food at Camp

Keeping the energy up all day long at Robin Hood is a lot easier when our kids are well fed and hydrated. And as you know, it begins with providing your child with a great breakfast so they can start their day right. Please review the following details about all things “food” at Camp Robin Hood.

- **All food prepared/provided in our camp kitchen is Kosher & Nut Free** – if you have any special dietary considerations please indicate them on your child’s health form or contact our office to discuss.
- **Daily treats and drinks are provided** – camp activities stop mid-day so everyone can enjoy lunch within their designated areas at camp while supervised by our staff. Water and juice are provided at this time. Each afternoon, our staff provide a fun treat that campers enjoy with their friends. Water is available all around camp each day and even on our bus ride home.

Optional Lunch Program

Two options:

Kids Kitchen

- A la carte menu with a variety of entrees (including hot lunch items, sides & snacks)

- A valid credit card is required and all food provided by Kids Kitchen is 100% Nut Free.

Please Note: Create an account with Kids Kitchen through their website at www.kidskitchen.ca and select "Camp Robin Hood" as your child's "CAMP". Be sure to select the correct group for your child(ren) (if you have this information). To order, simply click on the days you wish to order for and select from the available menu. A valid credit card is required. Lunches are billed to your credit card at the end of each week.

In-House "Mom's" Lunch Option

- Check out the Robin Hood online forms link to sign-up

- Fruit (apples, plums, nectarines, grapes, oranges, cantaloupe or banana)
- Dessert (pudding, granola bar, fruit roll-up, yogurt tubes, Bear Paws or Mom's dessert mix (made of raisins, cheerios, chocolate chips, marshmallows))

Sending snacks to camp

- We encourage you to send easy, "on-the-go" types of snacks if you feel your camper would benefit from extra energy.
- Given the fast-paced nature of each day, campers will eat their snacks while travelling around camp between activities.
- Like all food at camp, please ensure that these snacks/treats are Nut Free.

Celebrating birthdays at camp

- Non-food treats are best! (i.e. stickers, pencils, etc.)
- If you wish to provide a food treat it needs to be Kosher and Nut Free AND in its original packaging. We reserve the right to hold onto the food item and return it with your camper if it is not Kosher and Nut Free.

7. Transportation to and from Camp

At this point, you have already selected on your camp application the method by which your child will travel to and from camp on a daily basis. We ask that you complete our online transportation form to confirm and or make any adjustments to your child's travel plans.

We work closely with our bus company, Sinton, to ensure a safe and efficient bus experience for our campers. Whether you have selected Door-to-Door or Neighbourhood service, rest assured that our Transportation Director Robin Perlmutter and her team work hard to make this part of the camp day as easy and fun as possible.

Each of our buses is driven by a professional bus driver who has not only been trained by the bus company but also participates in our Robin Hood bus training so that they are aware of how we provide transportation services at camp. We assign at least 2 bus counsellors to each bus and their duties are to provide supervision and programming while our buses are on the road to and from camp.

We are in communication with each of our buses and have the ability, in our office, to track our buses via GPS should the need arise.

Prior to each session, you can expect to receive confirmation of your child's bus number and the names of their bus counsellors. We also provide a window of time when our bus should arrive at your stop in the morning and at the end of the day. These "estimations" become more concrete within a few days of each session as the bus driver gets familiar with the route and traffic patterns.

8. Communicating with Us

Our "End of Session" surveys have indicated that one of the things parents most appreciate about Camp Robin Hood is our commitment to timely and effective communication between home and camp. Whether it's direct communication with camp owners Sari & Howie Grossinger, a member of our office team or a Tracker* or Section Head who supervises the area of camp your child has been assigned to, you can count on a professional and timely response to any question or concern you may have.

Whichever method of communication you choose, please know that our office staff are always ready to assist you.

How Do We Get Information To You?

We have several methods of sharing all kinds of information with our families throughout the summer. Here is what you can expect: **Emails** - On a regular basis, our office will communicate specifically on a number of topics including; special days, cookouts, end of session swim reports, extended day and overnight permission forms, weather updates when needed, and grouping and transportation updates etc. Please be sure to check your inbox regularly so you don't miss an email. **Friday Flyer** - This is the name of our weekly newsletter that is emailed to you and has great information about the past week, as well as things to look forward to at camp. Make sure you follow us!! We endeavour to post a realistic but limited number of photos each day. **Phone Calls** - From time to time we call families directly. Our policy is to always leave a message and we encourage you to listen to that message before calling us back. By doing so, you are able to let our office know who called you and this will speed up our ability to have you talk to the right person.

9. Sun Safety And Our Health Centre

We make every effort to take care of the well-being of our campers and staff. Our Health Centre aka "RobinAid" is regarded as a benchmark in the camping industry with respect to how camp wellness is delivered. We take both a practical and educational approach to this very important area. Under the direction of R.N. Bev Unger, our 4 member team of R.N.'s and Health Care Assistants (students in nursing programs) organize all of our camper health information and are responsible for delivering care when campers visit RobinAid. In preparation for the summer, our Health Centre recommends the following:

- Complete your health form ASAP. Campers will not be able to participate in additional programs such as overnights, extended days and trips without a completed health form.
- Apply sunscreen in morning before bus arrives - rain or shine
- Leave a labeled sunscreen bottle at camp for re-application during the day
- Wear a hat every day
- Make sure any medication that is required to be taken at camp is sent directly to RobinAid via the bus counsellor - please ensure that all medication is in its original container. You can always bring medication directly to camp during +our Open Houses or Family Nights

10. We Are Your Partner

We are perhaps, most proud of the positive reputation we have for providing a fun, well-supervised and memorable camp experience for our campers. We are equally as proud that parents tell us that our constant commitment to working with parents provides wonderful “peace of mind” that they have made the right choice sending their kids to Camp Robin Hood. Our dedication to “partnering with parents” has allowed for us to maintain effective two-way communication between home and camp and has allowed us to work together productively should any sticky situations arise.

At its core (and we can't emphasize this enough) is open and honest communication between home and camp. Our application process encouraged you to provide details about what your child's strengths and limitations may be in a social environment like camp. Our director Sari Grossinger, a registered Occupational Therapist, has built her professional camp career on her commitment to working with the information provided to make every camper's experience inclusive and positive.

At this time of year, should there be additional information you would like to share with camp and/or Sari specifically please contact the office by phone or email sari@camprobinhood.ca.

Rest assured that information provided is kept confidential and only shared with those members of our team who need to be “in the know” so that we can work together to help your child and all children at camp have safe and successful experience with us.

Safe on the Inside, Safe on the Outside

Every child has the right to feel safe at our camp. The staff we employ are well trained and the program we deliver is inclusive and non-threatening. Aligning ourselves with Ontario's Code of Conduct and the Safe Schools Policy that have been adopted by the schools in our community, is a commitment that all of us at Robin Hood take very seriously.

Every reasonable effort will be made to provide a safe and nurturing environment for our campers. As challenges present themselves, a problem-solving approach will be utilized to support all those involved. Discipline will be fair and progressive, and used as much as a teaching tool as possible. Clear and consistent consequences will be put into place, depending on the situation, by incorporating strategies at camp with supportive reinforcement at home. Our hope, like that of any social/educational setting, is to help create responsible, caring and productive members of society.

Issues of bullying, in all of its forms, can occur in any social environment. At Robin Hood, we are ready to respond at all times to issues of verbal or physical intimidation, put downs of any kind or any situation that creates discomfort for any camper. Our Senior Staff (many of whom are educators themselves) and Directors will be directly involved in the problem-solving approaches we utilize. Only through meaningful dialogue at camp and with our families can we effectively deal with this serious issue.

Sari & Howie are committed to your family having a positive experience at Robin Hood. Many of you know them but here are our Directors as described by our campers, staff and parents.
