FOOD & TRANSPORTATION

FOOD

The Robin Hood Leadership Centre (RHLC) is happy to provide a pizza lunch to participants. Food is served according to public health guidelines and a vegetarian option is always available. The pizza lunch includes cheese pizza, fruit and drink. We will be in touch closer to the date of your visit to confirm the number of special diet meals required for your group. Each participant will also receive a daily snack/treat at the end of the day. Snack will be one of the following: cookies, granola bar or freezie.

Snack and lunch are included in the price per student for all of the program options. There is a deduction in price for schools who wish to opt out of the snack and lunch option. Groups do have the option of bringing in their own food, i.e. by students bringing their own lunch or by ordering from an outside source and having it delivered. In these cases, RHLC staff will not be involved in the preparation or distribution of food.

All RHLC participants are encouraged to bring their own well-labeled water bottle from home for refilling throughout the day. There are plenty of water stations around the site.

For Mentorship Training days, we are happy to provide a complimentary snack for all mentors participating.

TRANSPORTATION

All groups must provide their own transportation to and from our site. We ask that you please provide us with your group's bus/transportation details. The RHLC is open daily from 8:30 to 4:30, and all bus drop-offs and pick-ups must be within these hours.

Robin Hood Leadership Centre is located at Camp Robin Hood. Our address is: 10243 Reesor Road, Markham, ON L6B 1A8.

HEALTH, SAFETY & INCLUSION

The health and safety of children, teachers and staff is always at the forefront of our planning and delivery of our outdoor school programs. The Robin Hood Leadership Centre (RHLC) is committed to implementing increased safety procedures and policies to minimize health risks and to provide students and staff with a safe and meaningful experience. A COVID-19 Safety Plan has been created and shared with Public Health, outlining the steps we are taking to keep all participants and employees as safe as possible.

We are committed to working collaboratively with the broader school community, school board policies and recommendations of local Public Health. Due to the evolving nature of COVID-19 related regulations, we are continuously monitoring the daily advice and recommendations provided by local, provincial and federal health agencies, as well as the Ontario Camps Association (OCA). We will continue to revise these standards whenever necessary, and communicate such changes in a timely manner.

The Robin Hood Leadership Centre has established a Health Centre on site that is operated by staff qualified in First-Aid to ensure the well-being of students and staff. Our staff are also especially trained to make accommodations and modifications to our activities to include participants of all abilities. To compliment these accommodations, our entire site is also wheelchair accessible.
