

An Update On Our Plans For 2021

We missed camp!

After spending 8 long summer weeks checking our daily calendar reminders of what we should have been doing this summer, we are ready to move forward and begin to share our thoughts on the road leading to the first day of camp; Monday July 5, 2021!

We continue to be grateful for the outpouring of support we received from our camp families and alumni when we had to make the difficult decision to cancel the 2020 season. A summer without camp was unimaginable but following the science and our own philosophy on what the Camp Robin Hood experience should look and feel like, we are satisfied that we made the right decision. We now feel an incredible energy and are super-excited to plan for 2021. **WE WILL BE BACK!**

Today, the challenges of managing school, social circles, kid's activities and work continue to be a daily battle with more road bumps, undoubtedly, along the way. We extend a huge "shout-out", in particular, to all the principals, teachers, support staff, custodians, and school administrators who have been thrust on to the front lines in this very strange time in history. **THANK YOU!**

We are optimistic that the journey to celebrating our 75th Anniversary next summer will be a positive one. We will plan methodically and thoughtfully, working closely with the Ontario Camps Association (OCA) and the Ministry of Health to deliver a safe and worthwhile experience for both our campers and staff.

In fact, our camp owners, Sari and Howie, are taking on camp industry leadership. Sari is the Chair of the Day Camp Committee for the OCA COVID-19 Task Force and Howie will continue to be a communication spokesperson for the OCA as we advocate for the importance for all camps (day and overnight) to return in 2021.

**Camp Robin Hood will do what is required and
what is directed to take care of your children.
In fact, it will be our honour.**
