

CAMP GOALS

As you consider a summer at Camp Robin Hood, our Leadership Team asks that you review the following goals we have set for the summer.

As a camp, we strive to create an environment that is safe and fun for all of our campers. To ensure that we reach our goals, it is essential that all staff are committed to the following:

KINDNESS

Whether it's offering a helping hand or a comforting word, we strive to be compassionate and understanding at all times. We need to be kind to ourselves, our campers and to our fellow staff. We believe that creating a positive and supportive environment is crucial for the well-being and growth of the children in our care.

PATIENCE

We know that kids can be unpredictable, and we are prepared to take the time to listen and understand their needs and concerns. We are also committed to being patient with our staff. Some of the best learning happens during the imperfections of our performance. We will provide you with mentors and supervisors who will guide you constructively and with patience throughout your work with us.

PROFESSIONALISM

Our staff is trained to provide the highest level of care and attention to the campers, and we hold ourselves to the highest standards of conduct and customer service. We believe that by being professional and reliable, we can create a sense of trust and respect between ourselves and the campers. The skills you learn at Camp Robin Hood will be a great foundation for all the jobs you will have in the future.

TEAMWORK

Teamwork is crucial to the success of our camp. We encourage all of our staff to work together and support one another in order to provide the best possible experience for the campers. By fostering a sense of teamwork and collaboration, we can create a positive and dynamic environment where everyone feels valued and supported.

CAMP SPIRIT

We are counting on you to make the most of your time at camp by demonstrating a genuine commitment to having fun every day. Dress-up, cheer, sing, be silly and do your best to get out of your "comfort-zone". Camp is fun because of the efforts we all put in to make it memorable for our campers and each other.
