## FREQUENTLY ASKED QUESTIONS

### What is your booking policy?

Reservations are accepted on a first-come, first-serve basis. A \$1000 non-refundable deposit is required to secure the venue. If you cancel after booking a date, your deposit is forfeited. A payment schedule for the remaining balance will be outlined in the contract, which will be sent out at the time of booking.

### Can we book the venue any day, any season?

We have limited available dates for bookings. The venue is available for bookings from mid-May until the end of September. In July and August, we exclusively book Saturday and Sunday only. Please contact us to see if your date is available!

### Does Nottingham Farms set up and tear down my decorations, tables and centrepieces?

No. We are happy to help greet your vendors, but all set-up and tear-down of decor and rental items are your responsibility. All decor and rentals must be taken down and removed by 1am. Nottingham Farms staff will only set up and tear down included 'add-ons', and clean up garbage post-event.

### Do we need additional Insurance?

Yes, we require all events to purchase and provide a certificate of insurance. Please ask for additional information when inquiring to book your event.

### Can I come see the venue any time I want?

We welcome you to arrange a site tour with our Booking Coordinator prior to reserving the site for your event. Your booking also includes three site visits (1.5 hours each), and we invite you to bring along your planner and vendors as necessary. Site visits are by appointment only. Our Booking Coordinator will meet with you to answer all of your questions at the site visits. Supplemental site visits are available for an additional fee, based on availability. Please inquire for details.

### Can we serve alcohol at Nottingham Farms?

Alcohol can be served, but hosts must obtain a Special Occasion Permit (please inquire for more information). Hosts are responsible for providing the alcohol and smart-serve certified bartenders are required. Alcohol is to be consumed only in the designated areas of the venue.

### Can my guests walk around the property?

Since the venue is situated on a summer camp, guests are not permitted outside of the designated areas of the venue. Nottingham Farms will be enforcing this to ensure safety of all guests.

**We'd be happy to answer any more of your questions. Feel free to reach out!**
