

CAMP ROBIN HOOD

“IT’S WORTH THE RIDE” 2022 TRANSPORTATION INFORMATION

A major consideration for our families each summer is how their children will get to camp each day. At Robin Hood you have the option of selecting from our 3 methods of camp transportation. We encourage you to determine which method best suits your lifestyle and perhaps, more importantly, your budget.

1. **Door-to-Door service:** Add an additional \$250 + HST (per session per camper) to have the bus come to your home each day
2. **Neighbourhood service:** Add \$140 + HST (per session per camper) to meet the bus at a location near your home for daily pick-up/drop-off
3. **Drive your child to camp:** Add \$0 to the camp fee and drive your child to and from camp each day

For those families choosing bus transportation, our goal is to always provide a safe, efficient and timely trip to and from camp each day.

We were very successful in implementing all COVID-19 protocols for bus transportation and if required will do the same in 2022.

Visit our [2022 Transportation Map](#) which outlines the areas we offer Door-to-Door service (shaded green) as well as the over 50 Neighbourhood locations families can choose from. Simply put your address in the search bar (where the magnifying glass is located) of our Google Transportation Map to confirm your proximity to any of our Neighbourhood pick-up/drop-off locations.

Our transportation team continually monitors and assesses our routes to find the most efficient way to and from camp. We design routes to have a minimal amount of stops and still maximize capacity. With the addition of subways, road fixes and residential construction, realistic expectations of timing of bus routes are necessary to get your children to our beautiful country setting. But, we promise, the fun starts on the bus!

BEFORE & AFTER CAMP CARE: We plan to offer this service in 2022.

FACTS ABOUT TRANSPORTATION AT ROBIN HOOD
